The Word of God

… Many miracles were done when I was in the flesh and many miracles will be performed when I come to an end, for the dead want too to get out and to confess this godlike work. Many were alive on earth and did not believe and now they are sobbing of what they hear from Me. The Lord is not this body that you have in front of you. *(Through which the Lord speaks, r.n.)* The Spirit who descended is the Lord Jesus. Today I am speaking to the little ones at the breast. Later on I will be speaking from kingdoms.

… Sons, the best prayer is the prayer in the night time, when all and everything sleep. Put away your sleep and pray concerning what presses you on, not only from the book. You should pray for everything; you should also pray for the dead that have no one to pray for them, and for those that were shot, and for those that were hanged, and for those who were drowned, and for those who left without a candle.

… Christian, is it not something into your heart that makes you stumble? Have you not a thing into your house against Me? Have you not got other things against Me? Have you not got any hidden things into your heart? Son, do not serve the demon with the cross on your neck, and do not keep the cross into the darkness.
