The Word of God in the day of the ascension of the Holy Cross on the church of the New Jerusalem (Excerpt)

May the sign of the Son of man be blessed, surrounded and glorified by the entire heavenly host that appeared in the sky in the middle of this heavenly dwelling! However, after this sign, the Lord's glory will appear and many nations will flow and come to see this heavenly glory.

Let this day be a day of everlasting testimony. May it be a heavenly feast, the day of ascension into this holy mountain, of the cross, which is bringing resurrection and light from the Lord, Jesus Christ, Who will appear as written into the Scriptures! Behold children, a fulfilled Scripture. All that were written into the scroll of this heavenly work is being fulfilled, but this scroll is sealed by God, and the Lamb will open the seals of this heavenly scroll, which is on the table of the Holy Trinity, for the time of visitation is coming, My loved ones. Romania is the country of the New Jerusalem, and here it is the time of its visitation, and the Lord will come and will open its springs, for this holy land is a heavenly mystery.

Mother Gigi, *(Virginia – the Lord's sixth trumpet, r.n.),* declares a heavenly word, and behold what this word is: let it be a day of holiness and sealing of the accomplishment of God's commandment, and let this day be in the day of your celebration of the going to sleep of my body, the day when I received a heavenly mission near God. Let it be celebrated on this day of heavenly feast, the day of the first among the apostles, the day of the apostle Andrew, the first one called, who baptized Romania with the baptism established by the Lord, Jesus Christ, for the apostle Andrew came from the Lord and baptized Romania when it was just recently born among the nations of the earth. The saint apostle Andrew was a faithful disciple of John, the Baptizer, and then he went and followed the Lord, and he was the first disciple of the Lord, Jesus Christ. And behold, Romania is baptized by Andrew, the first one called, and it is the first one called among the nations; however, Romania was oppressed and trampled by the pagan hatred and by the darkness, which covered the nations, but it has been long-enduring to the end, and behold, no one can take its crown, and the one, which was the last, behold, it is the first. The apostle Andrew, the first one called by the Lord, is now with me and he is with my mission and he works over this heavenly dwelling, over this sign, which is given by God over Romania.
