The Word of God to Gheorghe Zamfir (Excerpt)

The heaven leaps with joy when it sees that there is still living faith on earth and light of Holy Spirit over the sons and daughters who wait for the kingdom of God. This stone, coming down from heaven by the word, I am this stone; I and those who have believed in the time of the accomplishments written for this time. This blessed manger is hidden from the meanings of those who are not clothed with the light of the wisdom, clean and not mixed with those from the world.

Here is why I put this sign over My Romania. I placed this manger of heavenly word so that the man may come back to Me, to bring the faithful one to the condition that I left over My few people when I went to take My place from where I came down when I took a human body, seen by God and seen among people. Then I came into the world, but the world did not know Me, My loved ones. And look, the Lord is doing a great work, but the world cannot understand it, and if it cannot, come My loved ones, come, for We are in you and you are in Us. Let us make man understand this heavenly time. It is written that those things that were once they will be again, and it is written again that I will come and I will fulfill. But with you I am not as I am for the world, for you let yourselves be worked out by Me, you let with Me and knew that I am, and I have not stopped this work since I started it in Romania, for I came to My Romania to prepare for it a clean and white robe, for I want to fulfill with her that Scripture which says: *«And I saw those who overcame the beast and its image and its mark, standing on the sea of glass, having the harps of God. And I saw a great multitude, from every nation and languages and tribes, standing before the throne of the Lamb, clothed with white robes, and singing the new song of Moses, of those redeemed from bond-age».* And this Scripture I want to bring off in Romania and all will understand on that day the words of John, the Evangelist, who wrote this way: *«Behold God's tabernacle is among people and he will dwell with them, and they will be his people and God himself will walk with them and every tear will be wiped off».*
