The Word of God to Gheorghe Zamfir (Excerpt)

The Word of God works a new thing, a new fruit, and a heavenly kingdom on the earth. This kingdom, which starts today, is worked out by the Word of God and by the builders who are hired for the fulfilling of God's wisdom.

Amen, amen, I say to you: in the beginning was the wisdom and all that have been done by wisdom. Here a new word, coming down from God's throne. God's wisdom is a work made by word and I say it again: in the beginning was the Word, the Word was with God and God was the Word, and all were made by the Word. Amen.

Peace to you! I am God, the Word; I am the Kingdom of God, and here, it is in your midst. Peace to your little hearts, and heavenly wisdom upon your wisdom, for you, loved by the Holy Spirit, have to work now together with God, what God made by wisdom.

… My loved one, here is how I was speaking with this people. And here is how I speak with those that are left now and with those who increased My body and My greatness and the number of My disciples. Here is how I speak: sons, sons, amen, amen, I say to you; the time has come to speak the word for the death to become life and the weeds to become wheat, and the one, who will not receive this word, will be cleansed as by fire, and this will be done also by the word. However, I need disciples and I need to wake up My workers well and to get them used to the work of the blessed harvest, and we will make a blessed ingathering, but we will work again as we also worked then. For I sent the twelve and the seventy apostles, and the twelve were accompanied by the seventy and they went everywhere two by two, and they were meeting from time to time and this is how My church has been working from generation to generation; My true church, My loved ones. However, My living church has not got any place on the earth, and she has lived her life after My life and no one has loved her and she has been hiding behind My life. And behold, I have reached to come visibly into her midst and to come with My arm full of white little garments and crowns, for the little garment of those who will stand before Me and before My glory and the glory of My Romania will be white. The little garment of the body will be white and the little garment of life and spirit will be three times white, and I will speak of those which stand written to be spoken for this time: *"Come, you, the blessed of My Father, who overcame among those from heaven for the setting of the wedding of the Holy Bridegroom and of the bride with the name of New Jerusalem!"* Amen.

… Oh, be fully into My life, for I want to see Myself in you, I want that the world may see Me in your life, for your living, for your holiness. Amen, Amen, I say to you, for the antichrist sees the godly work and will stretch out his hand towards My throne and will walk in craftiness and he will too establish a tower, *(International Ecumenical Centre from Vulcana-Băi, near the "Holy Citadel New Jerusalem" monastery, r.n.)* so as he may pretend to be God, with all of his temple, and this it shall be done by the work of the evil spirit, by the power of the evil spirit, working through the sons of perdition, who did not receive the love of truth. That is why I say: stand upright and steadfast in all the good work, so that you may not be frightened in war by unbelief and by those who will utter the denial of faith and then, the unlawful one, who wants to rise above God, may be exposed enthroned. It is written that before My coming he will be doing his work, as an adversary of God, but you, be strong, for I will take them unconsciously, and I will come as a thief and overthrow the tower of lawlessness, hidden under the name of God. Behold, I tell you again be cautious, and the one without a holy life, take him as an adversary, for the days are hard and the sea is full of blood, fog and night. Be sons of the day, for those who sleep, sleep at night, but you, be sons of the day, My loved ones. My child to whom I came into with My ones,

I took you over the face of the earth and I put you into the dark depth too, so that you could see what the evil spirit is working, and then both of us to know how to cut the head of the evil spirit with wisdom.
