

The Word of God at the synod of the saints archangel Michael and Gabriel
(Excerpt)

... Oh, men, the spirits of the angels cry out to you! What do you eat? What do you drink? What does your soul eat and drink? The meat and whisky left you without any protecting little angels. Until when do you eat and drink? Oh, you have both soul and not only body. Why do you like the bread of the evil angels, the bitter bread? The evil angels exhort you to stay without God, without the angels from heaven. He who drinks whisky, that one does no longer have the protecting angel around, for drinking is debauchery. What else can the strong drinking be? It is an evil spirit, and the man, careless of soul, eats of it.

Oh, men, the evil angels, who have taken you away from God, lead you to eternal destruction. Turn back from your shameful works and leave them off forever, and the Lord will receive by your repentance. Receive the Lord's word and come to God's laws. The law says that you shall not have another god except the true Lord. The law says that you shall not take the name of the Lord in vain, and to remember the day when the Lord rested after He had made all things, and after He made you, man, for whom the Lord died and was resurrected. The law tells you not to kill, not to commit adultery, not to steal, not to give false testimony, not to covet your neighbor's house. Turn back, you, those who fell off from God, and the Lord will receive by washing and by your repentance. Amen, amen, amen.

... And as for you, people faithful in the Lord, correct the one who went wrong, for his forgiveness is not enough. There are no longer apostles with heavenly power on the earth, for all love meat and drinking, sexual immorality and the unfaith for the Lord's coming. Receive the Lord's word, and breathe it to all the margins, for we, the angels, work through you and help you and fulfill the Lord's word, which has been sent to you. Be holy seed on the earth, so that a new earth may spring from holy seed, and do not taste sin, for the sin took the man out of paradise. Help those who are hidden in themselves with their sin, but take care of you, at the same time, abhorring sin and pulling the man out of hell. He, who does not confess his sin, then that one needs to be shown the sin inside of him. It is not possible for one to walk in black oil and his foot not to be dirty, but the angels wipe you out, for each doctor gets dirty on his hands when breaks the festering boil in man.
