The Word of God

… You, flowers, old men, young people and babies, hang on! A lot of people, fashions and portraits are coming from America, Russia, Belgium, from all the countries. They had mixed themselves like bran in the sieve and they bring thousands and thousands of deeds and sins which were not done and known in My country.

… Know that God cursed all drinking except wine and the curse was ready to fall on wine too, but Mother prayed. This is what to say, that God got angry on drunkards and cursed, and only wine and water remained not being cursed. God cannot endure any more drunkenness, smoking, pride, theft and adultery.

There comes God, Who you have not seen or heard speaking by word of mouth but only by this word. There come the fathers and the ancestors. They do not go to those in the taverns or to those who spoil God's plan, but they will come to you, who are written into the book. Then there will come our brothers, the cherubim and seraphim and there will come thousands and millions as well; they will come to you, earthly Jerusalem, to take you up with them.

… Be prepared and put away the name and sings of the antichrist from you. Until today, and by now, no Christian could live without keeping into his hand the host of the *antichrist (The red card, of the communist party, r.n.)* In the time that is coming, the one who has the sign of the antichrist will not be able to stay with Me. Children, who was the one to come? All who broke down and defiled My things, all will perish, nothing will ever be. Be careful with what I told you, for you will not be with Me, for I did not tell you this by now, for I will not allow you beside Me with these signs and numbers: 666.
