The Word of God to King Michael

God speaks from the heavenly ones and God's voice is heard, but let they who hear God's word sit and make another book to the one who is Romania's anointed on behalf of the Lord Sabaoth.

Peace from the Father, from the Son and from the Holy Spirit, peace to the king of Romania! Peace from the Mother of the Son of the heavenly Trinity, and peace for a heavenly feast from the rulers of the heavenly hosts, Michael and Gabriel! Peace and celebration in heaven and on earth**, as it will come that the celebration of feasts from the ancestors will take their places, and it will come for the sons of the church to turn their faces back to their parents, and afterwards, the parents will turn their faces back to their sons.** Romania, the first called among the nations, will be the first among the nations of the earth, as it was born at the same time with the Lord, Jesus Christ, and if it was born then, it was christened by the first called from the apostles, as the apostle Andrew came and baptized Romania even since it was in its swaddles, and Romania became Christian and Orthodox; from its birth it was Christian, and the Lord cannot forget its infancy and its first dress, and God cannot forget the ornaments which Romania was invested with, because under its holy land, all Romanian heaven cries out to the Lord and says: ***„Lord, how long until You redeem those that stay at the foundation of his holy nation?*"**

And here is what tell the great of Romania, the good, the great and the saint, who keep Romania on their sacrifice and faith, which was the rock of the church of old. The first and the last kings and all the holy waivodes call out, they who are named together the holy heaven of Romania; they lift up prayers for Romania and look to see the small king coming and sitting, the anointed of this time, the one who will fulfill the victory and the glory of Romania. And here is what the forefather and the grandfather says: ***„The king of Romania shall have his appearance after Jesus Christ's, as his good ancestors had the appearance of the fulfilled man, as written into the Scriptures. The king is God's holy one, and his appearance and his face shall be after the one from of old, before which all the son of his kindred may bow down*".** Amen.

The Word of God sits in counsel with you, king of Romania, for the holy heaven is looking and waiting to see the glory which will come from you in the name of the Lord. The word of God is making a heavenly book and is speaking with you, Michael of Romania. Your father and forefather wait to see your glory and power that were given to you, but the power of the Lord's saint works by the image worn by the holy ancestors. Let your holy ornament (*The hair and beard, r.n.*) to clothe your face, for this holy law has great power. The great time is coming, for I work at it; I work according to My plane, and woe, the plans of the men are away from the plans of the Lord! I work by the word in Romania, and there will be no creature on the earth that will not bow down under this work that works out from the heaven upon Romania; and there will be no nation which will not sing your glory, which is from Me, for you will be a holy king, and who can stand against My plan?

Take care, My love, and keep away from the wolves, for the wolves have now taken coat over coat and beat about the heavenly work. Be great with Me, for the wolf's skin will be made obvious from under the robe that covers it. Be great with Me, for the Lord does no longer see faith on the earth, and I spoke this through the prophets: «***He, who knows My ways and does not walk in them, shall not speak about God***». This is what I spoke, and behold, those that work lawlessness, do not take this prophecy to their heart, and they hide under a lamb's coat, and woe, My creature does not know to distinguish the left from its right! But I am God, and behold what I do during these days, for I set to tear down those that are decaying and to strengthen the

cleanness and holiness upon My creature. I come to cleanse, to whiten and to unseal the springs of life and then to proclaim through My servants and to show this: „Here is the way, and let him who come to life, walk in it."

Oh, I want to set your name on a stone, (*The foundation stone of the Holy of Holies of the New Jerusalem, r.n.*), as this is what I told you, and I will proclaim then from its top the name of the king of Romania. So I spoke and these words stand as a witness on the earth, for I fulfilled in those that were Mine and yours, weak and little, for these that gave a body to My word are Mine and yours, for I am their God, and you are My anointed and are their king. Be wise, for I will set your name on a stone. Be faithful. I am. The Lord is My name and I work to prepare your coming.

Those who sit on the chair of My church started to show their teeth and would like to exterminate this work and they would like to put down the one that fulfilled the heavenly commandment, for according to the law he laid the stone of foundation of the new beginning which comes from heaven over the earth, so that it may be as in heaven so on earth, as My promise was. And this work will be called the heavenly mountain, a mountain of heavenly mystery, and from this mountain will flow the blessings which are written into the Scriptures upon those that will be called blessed; and it will be called the mountain of the blessings that come with the Lord with His thousands of thousands of saints, as the prophets said about My ages.

This stone raised through the word and through the heavenly commandment, will stand before you, king of Romania, for this is what I spoke, and I told you ahead of time. Behold, I put this stone before you and I will put away the iniquity and injustice from the land of the living, for Romania will remain forever before Me and you, Michael, king of the Lord's Romania.

I am with you and I carry you on My shoulders, for I am the Lord of the fulfillment of the heavenly promises. Get up before Me and pray for those that I have before Me, before My word, as false witnesses arose against them and the injustice lied to itself, and those, who rule carelessly over My flock, arose in fear against My truth. Pray so that the salt may multiply, and it will be multiplied, for there is no more salt on the earth. Little salt has the Lord on the earth, My dear. Lift up your hands towards Me and ask, and it will be salt on the earth, and it will be good for salting, and the fragile bones of the sons, well pleased with their heart and spirit, will be strengthened. I work from dawn until dawn; I work in your way and I work upon these little ones that are Mine, for the wickedness and the disbelief of the rulers of the law strike to smash to pieces the ship which is worked out through the word spoken from heaven. Romania is My creature ship rescue and out of it will flow rays and lights and salvation and a new heaven and a new earth, as I, God, promised.

I spread My peace upon you and upon your entire house, Michael of Romania. Peace to you, My love, My anointed, for who can wipe out your anointment that you have from God? Peace, holy law and an image after the image from those of old, an image after the heavenly fathers, after the image of God's Son, from generation to generation up to you. Take the scroll which stays under the stone of the new beginning; take it and undo it again, and get ready in this mirror, and we will enter the blessed gate, which came into being after God's plan.

God, the Father, He Who is in the Son and in the Holy Spirit of the heavenly Trinity, may be with the king of Romania, and with his blessed sons, out of whom the new nation will spring up and will work the Lord's victory!

Peace to you, Michael of the Lord's Romania! Amen, amen, amen.
